

Celebrating 20 Years of Ministry

2016 Marks my 20th Year of Ministry in Toronto

Reaching this City with the Gospel.

I am honoured to have:

- * Served in Pastoral Ministry on staff at Cornerstone Church in Downtown Toronto
- * 2003, I launched Souls for Christ Ministries where we:
- * Lead many souls to Christ through our effective street preaching
- * Served 1000's of meals to the needy and those living on the streets
- * Handed out 1000's of bottles of water during heat waves
- * Brought Emergency Relief with 100's of Winter Survival Kits to the homeless during city wide cold alerts
- * Handed out more than 20,000 Gospel tracts
- * Collected and handed out over 3000lbs of clothing for those on the streets

We are so thankful for the support of so many faithful givers who have made our Ministry a blessing. Because of your partnership and God's great love and provision we can continue for another 20 years.
