## SFCM Reaching Beyond the Borders of Home

Souls for Christ Ministries continues to see many contact us asking for gospel tracts and New Believers Materials. We thank God we are able to partner with many internationally to see the gospel advanced. Here are some stories of how our materials were used:

### Testimonials

*"Through the grace of God I have downloaded a two page tract... This morning I will be taking the tract to a vender to print 500 copies for distribution in Kenya"  
God richly bless u Bro Dean*

*"I really appreciate your powerful teachings and tracts for new converts for the body of Christ. We are in Nigeria where we reach souls. Coming across your online resources just now are a blessing to us. Thank you for giving to the Lord. Yours in His Vineyard,  
Adebayo."*

### A Word from Pastor Dean and Kim

*The last couple of months have been challenging. Our ministry has seen enormous need among those living outside on the streets. So many worry God has forgotten them. As our world is shaken to the core our Lord continues to promise us peace in the midst of it all. Isaiah says "Is the arm of the Lord to short to save or his ear to dull to hear...Isaiah 59:1"*

*As many wonder what will happen next, God has promised never to leave us or forsake us...We can be the most confident people on earth in knowing the Father has a plan for us no matter the pain, or problem, our outcome is assured, because the Lord is our Victory.*

*We always ask you to pray for us as we pray for you, and we are trusting that God's divine will is done in Government, in our land and in our broken world. As a ministry working in downtown Toronto we need your prayerful and financially support, but we also want God to work in the hearts of those we are reaching so he can bring many in from the spiritual death to life before time runs out.*

Blessings, *Dean and Kim*
