This winter was especially difficult for so many who live outside in downtown Toronto. With shelters almost full nightly, numerous individuals stayed outside in tents or right on the ground in sleeping bags. Each week we hit the streets handing out blankets & sleeping bags to help where it mattered most. There were those who even gave us requests for food and clothing. We're grateful to those who partnered with us to provide essentials to the homeless this winter because our work impacted the lives of the most vulnerable.

This Winter the city of Toronto hit extreme temperature records more consecutive days than years past. We thank many individuals who stepped up to donate key items. A big thanks to [Johanna Treur](#) for over **150** blankets, many cases of socks, winter coats, hats, gloves and pre-made winter survival kits. These essentials were distributed during extreme weather on several occasions helping many homeless survive living outside. Thank you Johanna

Alex Receives Jesus March 2022

The preaching ministry continues to see **souls saved**. Just last week I lead a lady to Christ and prayed with another to rededicate her life to Jesus. The following week **3** more people committed their hearts to Jesus, praise God! Each year we continue to hand out **100's** of tracts and bibles, sharing Gods word in downtown Toronto.

A Word from Dean and Kim

Partnerships are how the kingdom work is done. Through our partners we've given out over **400lbs** of winter clothing and **300** coats and **200** sleeping bags during weeks of extreme cold weather. Because of our support base, together we have fulfilled our commitment to those who've asked for supplies on a weekly basis. Countless days homeless individuals asked us to come back each week with food and coverings. *Often they told us they waited for us.* Our work for the kingdom has seen many lives saved physically and spiritually. And in all this the Gospel continues to be preached! To God be the Glory!

Jeremiah 29:11 says "I know the plans I have for you plans to prosper you not to harm you plans to give you hope and a future..."

Our prayer for each of you is that throughout 2022 God would make all your plans prosper
God Bless, **Dean and Kim O'Connor**
