

Souls for Christ Ministries Fall Newsletter 2020, Covid-19 Edition #2

Our Summer Outreach Ministry has reached **100's** of homeless people with food, clothing, water and the Gospel Message

Covid-19 has changed how homeless people live. 100's have moved into the parks believing that even shelters are not safe.

Thank you to our Supporters

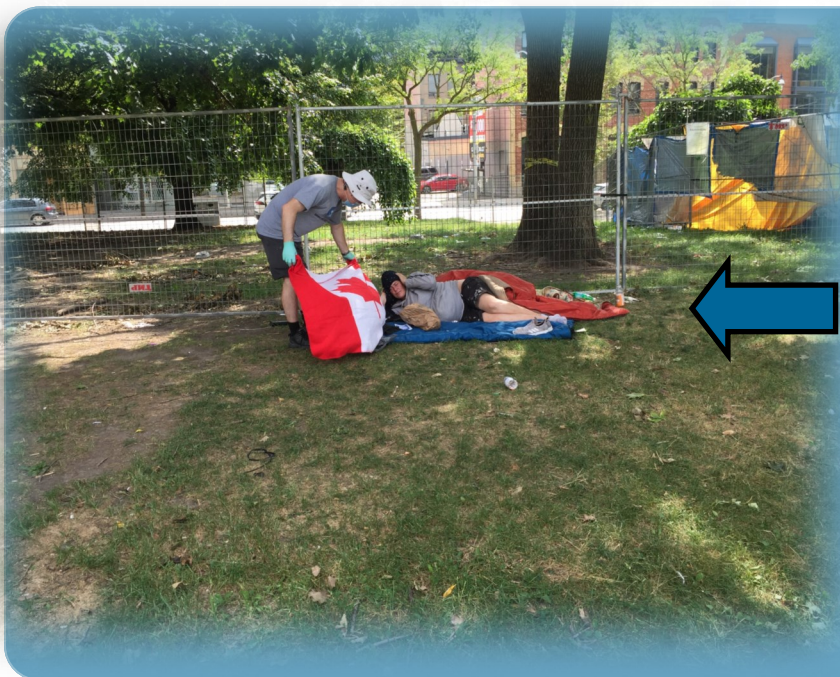

Pastor Dean & Kim and the Board of Souls for Christ Ministries would like to **thank everyone** who supported our ministry throughout Covid-19. God has reached into the lives of many broken people because of your partnerships with us. We couldn't have done it without your faithful giving. A special thanks to **Pastor Perry and the Pembroke Pentecostal Tabernacle** for all their support again this year. Thank you!

A Special Thanks to Reapers in the Rain International

We want to thank **Rod Parker and Chuck Price** from Reapers in the Rain Int. for all the amazing supplies we have received to help **100's** of homeless people in downtown Toronto.

One afternoon this homeless lady told me she was cold and had pneumonia and was concerned what would happen that night as it was getting colder. I had some Canadian flag blankets on hand thanks to Reapers in the Rain Int. so I gave her two, helping her survive the night. These blankets have been so beneficial to so many people and are easily identifiable when we return to the same places where the needy gather.

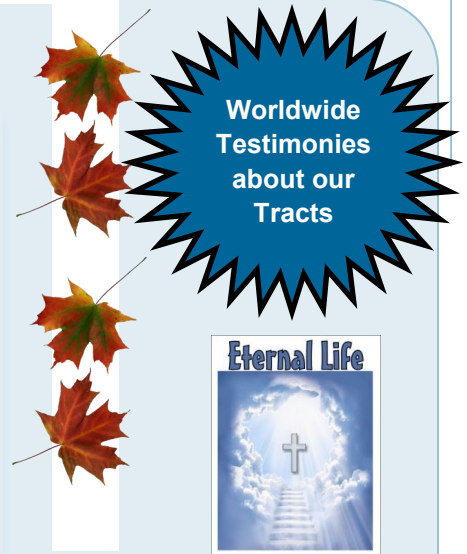

Testimonies from Kenya

*"Thank you for the free printable tracts. I long to evangelize but I am too shy and reserved. This is effective and I bless the Lord for answering my prayers on how I can be an effective evangelist. I live in **Bungoma, Kenya** and this is a real blessing to the teens of our church. Thank you for allowing God to use you in this way.*

May we ever be found to be faithful with what He has placed in our hands to use for the building of His kingdom."

*Signed, **Leonida Wafula***

Souls for Christ Ministries gives out over **1000 tracts a year**. Over the course of a year our ministry is contacted by over **10,000 people** from many Countries regarding our Tracts and New Believer Materials. Having had so many people asking for discipleship materials, we have recreated our New Believer Lessons refreshing making them to be more appealing to those looking to grow in their faith. Many continue to let us know they are using our Tracts to win people for God's Kingdom. **Praise God**

The Preaching Ministry at Yonge and Dundas has been growing again. Each week we hand out many tracts and share Christ with large numbers of people. Each week we have volunteers coming to assist so they can grow and learn to be effective in sharing their faith.

A Personal Thank you from Dean and Kim

Each week as I serve in Toronto I see our God move in this spiritually needy city and it is utterly amazing. So many friends, supporters and partners have come to help us and volunteer to be apart of what God is doing downtown. We cannot thank many of you enough for supporting our work, believing in us and giving to advance the kingdom work here in Toronto. Thank you to all who have gone beyond the call of duty to give and help us reach this city for God.

Covid-19 has challenged us all greatly but it doesn't challenge our God, in fact nothing takes him by surprise. I'm reminded of a verse that says what God requires of us even during the pandemic - *In Micah 6:8* it says this **"And what does the Lord require of you, but to act justly to love mercy and to walk humbly with your God."** This verse outlines all the things our ministry represents to those who need it most. Justice = we help no matter the need. Mercy = helping others where it matters most. Humble service = love those who are unloved. God has reached into this city by his grace and we pray he will continue in the years ahead. *Dean and Kim*
