Life can be tough and we can spend a lot of time thinking about how lonely we feel. We might find ourselves asking the question: “Is this all there is and can I really find happiness?”

“...the love the Father has given to us that we might be called Children of God. And that is who we are.”

You see, God created each of us with a capacity to love and be loved. The love of this world often leaves us feeling empty and void of peace and happiness. Only God can satisfy the longing in our hearts to be loved.

God has given us his presence to fill our lives and our hearts so we no longer feel empty.

Our heart’s void cannot be filled up with our own righteousness or good works because only God’s love can change and fill our empty hearts with his perfect love.

“...but you are a chosen people, a royal priesthood, a holy nation, a people belonging to God, that you may declare the praises of him you called you out of darkness into his wonderful light.”

Say goodbye to loneliness and emptiness inside. Our loneliness is turned into fullness only when we find a relationship with Jesus. Only then will he come and live in our hearts by faith.

“Yet to all who did receive him, to those who believed in his name, he gave the right to become children of God.”

Say goodbye to loneliness and emptiness inside. Our loneliness is turned into fullness only when we find a relationship with Jesus. Only then will he come and live in our hearts by faith.

Our heart’s void cannot be filled up with our own righteousness or good works because only God’s love can change and fill our empty hearts with his perfect love.

Do you ever feel lonely? Heartache? Empty inside? And you don’t know why life can be tough and we can spend a lot of time thinking about how lonely we feel. We might find ourselves asking the question: “Is this all there is and can I really find happiness?”

How can love change and fill our empty hearts with his perfect love?

Imagine striving for success in this world. But you can’t achieve all your worldly goals. You earnestly desire to succeed, but you can’t. You can’t live up to all that society has taught you to be. You are lost and feel empty inside.

But one day you come to believe that Jesus died on the cross for your sins and you call on Jesus now for forgiveness of sin. Receive his love and the truth is now in us. If we confess our sins and God’s forgiveness is available to us. If we say we have no sin we deceive ourselves and the truth is not in us. If we confess our sin, he is faithful and just and will forgive us our sins and purify us from all unrighteousness.

Once we receive him into our hearts, we are now sons and daughters of God. No more struggling to fit in. In Christ, we are now loved and belong to the family of God.

Pray the prayer on the back of this tract.
