Summer Survival Kit Contents

A Special Thanks

Kim and I would like to thank so many Churches, individuals and ministry partners who have given of their time, resources and prayer to help our ministry grow and reach our missions field.

"...The harvest is plentiful but the workers are few..." Mat. 9:35

We have seen 12 more people commit their lives to Christ since Spring. For this we thank God.

Each year with God's help we assist 100's of homeless people and addicts with housing and addiction referrals. Through food and clothing programs, along with the gospel message we bring them love and hope found only in Jesus.

Prayer

Please continue to pray for favor, mercy and finances as we move forward together doing God's work in downtown Toronto.

Blessings, Dean and Kim
