Rock of Ages

Our Humanitarian Work assists the most vulnerable year round.

100's receive ice cold water and food

As June arrived & the heat set in, many needed access to water. We hit the streets weekly to hand out ice cold water & key supplies for street survival

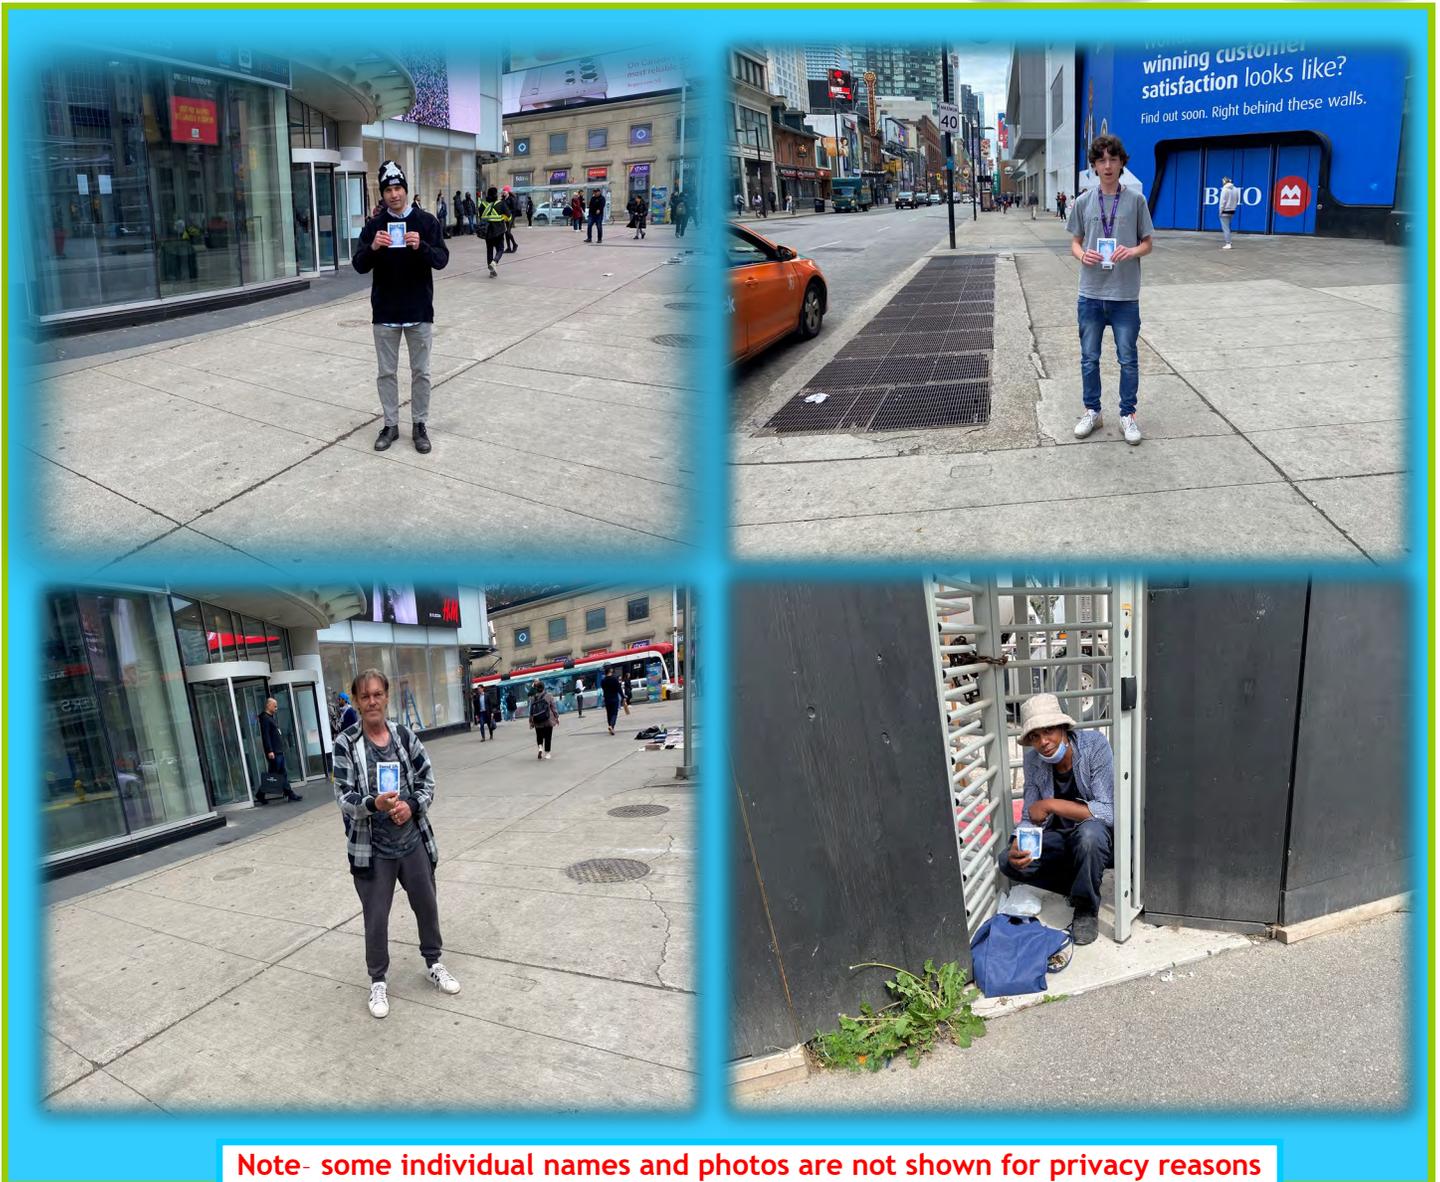

Summer began with extreme heat waves again. Those living in encampments desperately needed hydration. Each week we handed out **100's** of bottles of water, survival kits, sleeping bags and sun block helping the most vulnerable survive.

Our Preaching Ministry saw **14** more come to Faith in Christ

Our heartfelt thanks to all our supporters who gave toward a [Project this past month](#). In June the parks downtown filled up with homeless individuals living outside in the summer weather. As encampments grew, so did the need for food and water. Our teams were there helping many survive life on the streets.

Each week as I walk the streets in downtown Toronto I feel the Holy Spirit say “preach the gospel, preach the gospel”.

As an Evangelist I’m grateful to God for how many we’ve reached over the years, but sorrowful for those perishing, having rejected the gospel we’ve shared.

Please keep our ministry in your daily prayers as time runs out. Pray souls are saved, for God said in his Word... “*he is willing that none should perish that all should come to repentance*”
