### **A Word from Dean**

One more year and I will be ministering in Toronto for **30** years. As time has gone by I have learned that two things never change, how God saves and how God loves. He does both unendingly.

Toronto needs a Savior more than ever. Each week as we minister for Jesus we ask you to pray for us with reason. Nothing happens by chance, but in answer to prayer. **24** more people have come to Christ as we have preached the gospel. Often people walk right up to me and ask me about the gospel, that can only be the work of the Holy Spirit and many of you praying over us. **As souls come to Jesus we contemplate how wide, vast and great the love of God is and how that love never stops pursuing the heart of the sinner.**

As you pray over us this Summer, please ask God to draw **100's** more to faith as time runs out. Our Summer will be busy getting cold water & supplies into the hands of the most vulnerable. Each time we hit the streets we know it's life & death for many we help. Thank you for giving to see the kingdom work grow through Souls for Christ.

**"May you have power together with all Gods holy people to grasp how wide and long and high and deep the love of Christ is..."Eph 3:18a**

*Blessings In Christ - Dean and Kim*
