Testimonials

This summer we met a man now living in an apartment who told us we helped him in the park when he lived in a tent and survived because we brought vital supplies to assist him...hallelujah!!! Another gave his heart to Jesus **just out of jail** -He was excited to live for God!! Praise the Lord!!

Friends, we are an extension of the Kingdom because our partnerships enable us to be God's hands and feet to support the vulnerable. Thank you. A special thanks to PPT for the partnership again this year in the **"Thirsty for Souls Campaign"**. God bless *Dean and Kim*
